HELP YOUR FRIENDS FIND THE HOME OF THEIR DREAMS.

THEN, HELP YOURSELF TO \$500

DREES REFER-A-FRIEND PROGRAM

Being a Drees Custom homeowner has many perks, so imagine helping your friends find the home of their dreams while helping yourself to a \$500 gift card. If you refer a friend and they close on a new Drees Custom home, you can earn a \$500 Lowe's® gift card, while your friend earns \$500 in audio-visual equipment for their new home. Nothing feels better than helping friends and family find the perfect home (especially when you get a \$500 Lowe's® gift card).

QUALIFY THREE DIFFERENT WAYS:

- Accompany your friends to a Drees Custom Homes model home on their first visit and complete a referral form.
- Call or email a Drees Market Manager at a model home and register your friends prior to their first visit.
- Have the person you are referring complete a referral form and submit to their Market Manager.

Turn friends into neighbors.
Turn referrals into gifts.

Call (972) 953-4550 for more information.
